

Membership

While everyone is welcome at Orchard Club, we rely on our members to help insure our future success. Thanks to the loyal support of those who support the club with their yearly (or monthly) membership dues, we are able to keep our doors open for those who need us the most.

Orchard Club members understand the importance of "giving it away to keep it" and also feel more connected to fellow members as a result of their support.

To become a member of Orchard Club, please contact our club manager who will sign you up and welcome you!

a safe place

Come and Join Us!

Club Hours:

Mon – Sat: 6 AM – 10 PM

Sun: 7 AM – 7 PM

Meetings are scheduled throughout the week. Please visit our website for specific meeting times and information.

"Orchard Club saved my life. I was attending meetings but until I had a place to go and stay for hours at a time, I could not get sober, I will forever be grateful."

*"I know that when I come to this club, there will always be someone to talk to, a meeting to attend, and a cup of hot coffee."
..recovering addict*

OCS Mission Statement

Orchard Club South is a not-for-profit organization dedicated to helping people in recovery live sober, full and healthy lives by providing a convenient, comfortable location for 12-step meetings and a place to work 12-step programs.

Looking For a Place to Find Recovery?

Orchard Club South offers a comfortable, accessible place to attend meetings, meet with friends, sponsors and sponsees, and to make the connections necessary to facilitate recovery!

Who We Are

Orchard Club South is a non profit founded by a group of recovering individuals who saw a need for a facility in the Denver Tech Center area where people could gather to experience recovery.

While the traditional church basement is a great venue for recovery meetings, the need for a gathering place that allows for continued fellowship was missing.

After an extensive search, the current location was leased and renovated in 2009. A board of directors oversees the operations of the club, including management of the club manager and oversight of all club finances and activities.

What We Do

Orchard Club South provides the following services:

- ◆ Four meeting rooms designed to accommodate 2-120 people
- ◆ Coffee bar manned by volunteers serving coffee and other drinks and snacks for meeting attendees.
- ◆ Literature available for purchase
- ◆ Anniversary chips for those celebrating milestones in recovery
- ◆ Pot Luck parties on major holidays throughout the year.
- ◆ Facility rental for district or state wide events

What We Don't Do

Any program of recovery utilizing the twelve step approach is welcome to hold meetings at the Orchard Club on a space available basis and with board approval. Meetings are completely self governed. Orchard Club has no say in:

- ◆ Meeting formats
- ◆ Individual meeting conflicts
- ◆ Meeting group consciences

Finances

Orchard Club is financed through meeting collections, memberships, donations and snack bar revenues.

These fees fund facility rental, the club manager, snack bar, anniversary chips, and access to program literature. From the group collection, 10% is returned to the group to use for group determined dispersements .

We are with you every step of the way

Recovery is difficult under any circumstances, but many of us have found that without the fellowship of others sharing our experience, it is impossible to acquire the life we desire. Sharing our experience, strength and hope with each other is at the heart of the twelve step process.

Orchard Club South is designed to facilitate that fellowship. Come and join us as we trudge the road to happy destiny together!
